

## **Standard Terms & Conditions**

### **1. Installation Work:**

- a) All electrical installation work will comply with BS7671: 2008 Amd 3 2015 and any amendments in force at the time of the works.
- b) All electrical installation work will comply with applicable Building Regulations in force at the time of the works.
- c) Where work is to extend or modify existing circuits, costs quoted assume that the existing installation is in adequate condition and complies with minimum current regulations. Any works found required to bring the necessary parts of the existing installation up to standard will be at additional cost.
- d) Unless stated otherwise, all cables will be concealed by chasing into the building fabric or concealed in building voids, under floors, etc. Where impracticable, cabling will be neatly surface run, either clipping direct or housed in trunking / conduit.
- e) Where carpet or flooring coverings may require lifting to allow concealed installation work, no charge is made for this service, with best endeavours being made to avoid damaging them and to refit them to an acceptable standard. However, consideration of employing a specialist fitter may be prudent, at your cost to affect a fully satisfactory reinstatement.
- f) Where agreed beforehand, chases to walls, etc will be re-filled to 2mm below plaster finish depth, however final finishing of skim coat plaster and final decoration is excluded.
- g) All endeavours will be made to undertake installation work to a clean standard, using dustsheets and vacuum cleaning equipment as necessary.
- h) The contract outlines the expected duration of the installation work.
- i) Whilst undertaking the installation work at the property, the client is required to provide water and power free of charge
